

Your customers know what they are ordering, but what about you?

If **more sales** and **employee training** is on *your* menu, OrderSnapp and Next Step Academy can deliver!

Gain more sales using OrderSnapp's on-line ordering program to increase takeout, curbside and delivery sales.

OrderSnapp's all-in-one platform includes:

- ▶ Commission-free online and mobile ordering
- ▶ Custom mobile application
- ▶ Loyalty program and coupons
- ▶ Email campaigns
- ▶ Menu creation

And much more!

Train employees using Next Step Academy's quick and mobile online courses. Choose from current courses in life skills and professional topics, or talk to us about creating your own.

You'll also get access to ImpactPRO by Next Step Academy which includes:

- ▶ The ability to recommend and require courses for employees
- ▶ Review employee progress in your customized online dashboard
- ▶ Add on custom course branding, email distribution and in-house training packages.
